Our **90-Day Promise** Protects Your RateStar Quote

Lock in Arch MI’s most competitive risk-based MI pricing for your loan. Your RateStar℠ quote is automatically guaranteed under our 90-Day Promise, protecting your pipeline and freeing you to focus on closing the loan.

The 90-Day Promise – How It Works

Get a RateStar quote for your loan. Assign your quote in CONNECT or in your LOS when completing your MI application. As long as the loan attributes originally submitted for the quote do not change, Arch MI will honor it for 90 days unless the rate is no longer legally available for use by Arch MI.
